

## DEAR CUSTOMER,

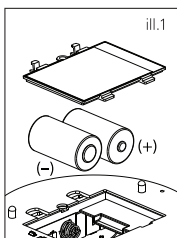

Congratulations on your purchase of a flameless candle. Our products will help to enhance the beauty of your home and provide many years of enjoyment. We offer a wide selection of products of the highest professional quality.

THIS PRODUCT IS WEATHER RESISTANT.

## BATTERY INSTALLATION

Open battery compartment door on bottom of candle by pushing clip inward and pulling up. Insert 2 "C" type alkaline 1.5V batteries (not included), ensuring correct polarity, as shown in (ill.1). Close door.

NOTE: Prior to battery installation, clean battery and compartment contacts.

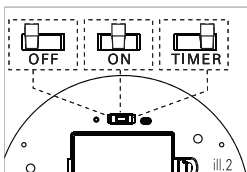

## HOW TO OPERATE THE CANDLE

### "ON/OFF" MODE (ill.2)

1. Slide switch to "ON" position to turn candle on.
2. Slide switch to "OFF" position to turn candle off.

### "TIMER" MODE (ill.2)

1. Slide the switch to the "TIMER" position to activate the timer and turn the candle on. The candle will automatically turn off after 5 hours.
2. The following day, if the switch settings have not been modified, the candle will automatically turn on at the same time that it was set on the previous day, and then will turn off after 5 hours.
3. To change the starting time, slide the switch from the "OFF" position to the "TIMER" position at the desired start time.

## CANDLE CARE

To clean your candle, use a soft, dry cloth.

## CAUTION

- This product is a flameless candle. To avoid fire hazard, do not light the wick.
- Avoid contact with water.
- This is not a toy. For decorative use only.
- **Replace batteries ensuring proper polarity.** Failure to insert batteries in the correct polarity, as indicated (ill.1), may shorten the battery life or cause them to leak.
- **Do not mix old and new batteries.** Replace all batteries of a set at the same time.
- Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium) or (Nickel Metal Hydride) batteries.
- Remove batteries if exhausted or if product is to be left unused for a long period of time.
- Do not dispose of batteries in fire.
- Keep batteries away from children. If swallowed, consult a physician immediately.
- Batteries should be recycled or disposed of as per manufacturer's recommendations.
- Do not leave candle outside during windy or inclement weather conditions.

**Please note:** We recommend that you clean the candle every few days and after each rain.
